MEMORANDUM FOR: Group &amp; Major Staff Chiefs

FROM: 

Director, Foreign Broadcast Information Service

SUBJECT: Position Allocation Update

1. While we consider PMCD surveys, and as we look forward to decisions on technical operation and maintenance of AFS, a current summary of position allocation by group and staff is in order. By my accounting, positions have been allocated as follows:

OD -   
 EPS -  
 ESG -  
 OPS -  
 PROD -  
 AG -  
 ADMIN -  
 TOTAL

2. The total consists of:

FY 85 baseline -   
 FY 86 approved -  
 FY 87 DDS&T -  
 -- FBIS -

The change since we last discussed this topic was the allocation of an additional position (my tenth) to ESG for the Wang Administrator.

3. Please let me know if there is any disagreement or confusion with this accounting.
